Parts of the forum will be recorded for a video publication to share with those who couldn't attend. Unless you are a presenter, it is unlikely your image will be recorded. However, please indicate that you do not wish to be recorded so we can take the necessary precautions to avoid doing that.

Coffee and tea service will be provided on both days. On Thursday, a working lunch, sandwich buffet, is available that should accommodate most people's needs. If you have special dietary needs, you may wish to make other plans for lunch.

The agenda, background materials, and presentations as they are made available will be posted on a Forum page at <http://www.ddc.wa.gov/>.

In the weeks following the forum, you will be notified of an evaluation of the forum by electronic survey.
